Part of the St John Paul II Multi Academy Trust

We are delighted to welcome you to our school, which is part of the St John Paul II Multi Academy Trust and we hope that this is the beginning of a very happy, cooperative and successful partnership.

As you can see from our Mission Statement, as a Catholic School, we believe that Jesus is at the centre of everything we do and we therefore strive to create an environment where all children are happy and safe and able to fulfil their potential.

Our school (along with an on-site pre-school nursery) is a very caring and successful learning environment where Ofsted said:

'Pupils are exceptionally well behaved. They have strong, respectful relationships with adults and each other. (Ofsted 2022)

We were awarded a 'good' judgement in our last RE inspection (February 2022) where it was stated:

'A strength of the school is that the parish, school, governing body, and home all work together and actively participating in Catholic Life, fully supporting the school's mission statement.'

A child's school life is a milestone and we want to do everything possible to ensure it is a calm, stimulating and enjoyable process.

This booklet is designed to give you as parents and carers all the information you need to feel confident about your child's school life.

We hope that you find this useful and that you and your child will enjoy an active and happy life at Holy Cross Catholic Primary School.

If you require any other information or you wish to look around the school, please contact the school office for an appointment.

Attendance

We aim for 100% attendance and children should only not attend school if they are unwell. We constantly strive to improve our attendance.

If your child is ill and unable to attend school, please inform the school office via the My Child at School app by 9.30am of the reason for absence and likely date of return. If possible, all medical appointments should be made outside of the school day. Your cooperation is appreciated.

Punctuality

It is very important that your child arrives on time for school before 8:45am to avoid disruption at the start of the day. The gate opens at 8:35am to enable children to have a calm start to the day. Please collect your child promptly at the end of the day to avoid causing any anxiety. If you are delayed, please contact the school office so that the class teacher can be informed. If your child is being collected by another adult please send an email to enquiry@holycross-sch.net

Holidays

Holidays must be avoided in term time to minimise disruption to your child's education. The school will provide holiday dates in advance so holidays can be booked avoiding term time dates. Our school follows Government guidelines in regard to holidays and therefore holidays in term time will not be authorised. Parents requesting holidays in term time due to extenuating circumstances need to complete a request form stating the dates and the reason for requesting the time. The Executive Principal decides whether or not the holiday absence will be authorised. Your cooperation in this matter is appreciated.

Behaviour and Wellbeing

All the staff are responsible for your child's welfare and care while they are in school. A child's class teacher has a special duty and interest in those in their specific class. The Executive Principal takes overall responsibility for the welfare of all the children and therefore any sensitive or serious concerns will be referred by staff to the Executive Principal who will decide on the appropriate course of action.

It is important that parents keep the school informed of any circumstances that might affect their child's behaviour and /or performance in school so that the school can support the child appropriately.

Holy Cross Catholic Primary School is committed to the safety and welfare of all its pupils and all adults in the school follow the school's Safeguarding and Child Protection Policy and Procedures. The school will take appropriate actions, in line with the policy, to safeguard children; including on rare occasions the involvement of external agencies.

The school believes that a calm, stimulating and happy environment is one in which children can flourish and high standards of behaviour are expected and encouraged at all times. The school has a clear and agreed Behaviour Policy which is clearly understood by all. A copy of this and of relevant policies are available on the school website or on request from the school office.

Safeguarding

The school is committed to the safeguarding and welfare of all our children, and we have four staff who are Designated Safeguard Leads (DSLs).

Holy Cross Catholic Primary School is part of Operation Encompass involving Birmingham Children's Trust, Birmingham City Council, and West Midlands Police. This will formally be known as Operation Encompass.

Operation Encompass has been established to help schools provide in-school support to children who have been present at, exposed to or involved in any domestic abuse incident.

We know that children can be significantly harmed, physically and/or emotionally, during these situations, and that it also negatively affects their learning and behaviour in class.

Therefore, as part of the Operation Encompass procedure, and to help mitigate the resulting negative impact, the school will now receive a confidential phone call or email from West Midlands Police before 9am the morning after a child or young person has been witness to, or involved in, any reported domestic abuse incident. If you have any further questions about this, please do not hesitate in contacting the school office.

Inclusion

Holy Cross Catholic Primary School is committed to Inclusion and strives to provide an education that is suited to the individual child's needs. The more able and/or those with specific moderate learning difficulties or have English as an additional language are supported through an adaptive teaching approach. When necessary, Pupil Profiles are drawn up and reviewed regularly. Our Inclusion lead is Mr Hunt and our SENCO is Miss Warren.

Complaints Procedure

Any concerns about the curriculum or any other school related matter should be addressed in the first instance with the appropriate class teacher. Any further complaint will be dealt with following the complaint policy which can be found on our website.

Home/ School/ Parish Partnership

Central to the success of your child's education is the home/ school/ parish partnership. The school has a clear 'Home/ School Agreement' which details our commitment to ensuring your child has a successful education at Holy Cross. We expect all members of our community to participate fully in this partnership which is based on respect, good communication and commitment. All new families to the school will be given a copy of the Home/ School Agreement to sign. Please also refer to the school's Homework Guidance which can be accessed via the school which will greatly support each child to reach their full potential.

The School Curriculum

Teaching and Learning in the Foundation Stage (Reception) is in line with The Foundation Stage Curriculum.

The Foundation Stage

The Foundation Stage Curriculum is grouped under seven areas of learning:-

3 Prime Areas:

Personal, Social and Emotional Development

Physical development

Communication and Language

4 Specific Areas:

Literacy

Mathematics

Understanding of the world

Expressive Art and Design

Children in all Nursery and Reception classes work within the Foundation Stage Curriculum. This means that there are close links between Nursery and Reception classes, which makes for a smoother transition for your child. The areas covered in Reception Class are described as Early Learning Goals.

Early Learning Goals

The Early Learning Goals form the final part of the Foundation Stage Curriculum, and it is these goals that the children will be working towards achieving by the end of their year in Reception Class. These Early Learning Goals provide a smooth transition to the National Curriculum, which begins in Year 1.

Key Stages One and Two

After the Foundation Stages, comes Key Stages 1 and 2 (Years 1-6). The school follows the National Curriculum : R.E, RSHE, English, Mathematics, Science and Computing, History, Geography, Art and Design, P.E, PSHE, Music and Modern Foreign Language.

Assessment

The children follow planned programmes of study and are assessed at regular intervals to determine how well they are progressing. At the end of Key Stage 2 (Year 6), the children are tested more formally and the results in these assessments are made known to parents. In Year One, all children will complete the Year One Phonics screening check and in Year 4, they will complete a multiplication check.

Religious Education

This is a Catholic School and prayers are said each day. Please help your child to say the traditional prayers at home and try to attend Mass regularly. Children should have a basic concept of God and Religion. As a Church School, we like to stress the Gospel virtues of honesty, truthfulness, obedience and respect for adults as well as for each other. In Key Stage 2, the Year 3 children receive the Sacraments of Reconciliation and First Holy Communion. The children in Year 6 prepare for the Sacrament of Confirmation. Parents are asked to attend meetings in preparation for these Sacraments.

Extra-Curricular Activities

These activities are provided throughout the year, they vary from season to season or with the staff expertise available. We have enjoyed a variety of sports and activities e.g. football, netball, tennis, tag rugby, choir, chess, art and cooking. If your child is involved in any after school activity, please ensure that he/she is collected promptly.

We also use a system called 'My Child At School' which enables us to send you an email message straight to your mobile. In the interests of your child, please keep us up to date about any changes in your contact details.

You will be informed of any illness or injury occurring during the day of which the school thinks you should be aware. In the event of a serious accident, every effort will be made to contact you; if this is impossible, the child will be taken to hospital for treatment and you will be contacted as soon as possible.

Please do not send your child to school if he or she is unwell. We do not have the facilities to care for sick children, and illnesses soon spread. If your child has been sick or suffered with diarrhoea they need to stay at home for 48 hours.

Parents' Consultation Evening

There will be opportunities throughout the year to discuss your child's progress with his/her teacher. There are two Parents' Evenings during the year, one in the Autumn term and one in the Spring term. You will be notified of these dates in advance; you are required to book your appointment via My Child At School app.
