Dear Parents/Person with Parental Responsibility

School Closure

As the weather is getting colder, it seems an appropriate time to inform you of the procedure of notification of any unexpected closure of the school. In the absence of central decisions by Birmingham City Council, the Board of Directors have agreed that any decisions to close in the event of adverse weather will apply to all four schools of the St John Paul II Academy.

Decisions will be made and parents notified as early as possible using the website and our text group call system. The school will continue to use these mediums of fast communication if it becomes necessary this winter. It can be quite difficult to get through to the local radio stations in the absence of a city wide decision but please check this source of information if you have difficulty accessing the internet or a text.

The Premises staff work very hard in ensuring the school site is safe. We always endeavour to keep the school open, but obviously weather can deteriorate rapidly and therefore we have to make decisions on the grounds of the health, safety and wellbeing of all our school community.

In order for the school to send a text, we must have your current mobile number. Please ensure that you notify the office of any new mobile telephone numbers so that we can update our records. If you haven't received a text on other occasions this year but have a mobile phone, please contact the school with your mobile number so that it can be added to our database therefore ensuring fast communication when it becomes necessary in the future.

Thank you for your cooperation in this matter.

Yours sincerely

Miss T Cotter
Principal
