## SACRAMENTAL PREPARATION

If your child is preparing for or has already received a sacrament, we would appreciate your comments on the quality of sacramental preparation, prayer bags and the sacramental Masses.

- Very engaging -for both parents and children
- Very good
- Excellent preparation
- Did not like class being split although understands how busy it would be with numbers
- My daughter understood exactly what it meant to make your First Holy Communion
- Sacrament Masses not on a Sunday as there is little room for congregation
- Holy Communion preparation was very thorough -my child was confident and well informed and looked forward to the commitment
- Very pleased with how child was prepared
- Very helpful that Fr Neil spoke to children prior to confession.
- Actual Sacramental Mass was lovely - Holy Cross children stood out from Parish children -their confidence and understanding was very visible.
- Well organised and prepared for Holy Communion
- A great effort by teachers, HT and Fr Neil.
- Very pleased with level of support, parental involvement, studies at home and Commitment Masses.
- They are able to discuss what they are learning - grasp the meaning
- Delighted with every aspect
- Did not receive prayer bags

Thank you
