SACRAMENTAL PREPARATION

If your child is preparing for or has already received a sacrament, we would appreciate your comments on the quality of sacramental preparation, prayer bags and the sacramental Masses.

- First Holy Communion was excellent
- Prayer bags good idea
- Excellent parent meeting
- Useful to have copy of presentation as difficult to read
- Good link with Fr Neil
- First Holy Communion was an excellent day
- First Holy Communion was well organised and dealt with properly
- Enjoyed the family activities
- Both my children were very well prepared
- Excellent contribution from all staff - very much appreciated
- Staff presentation was excellent
- More of an emphasis on children who practise their faith not on those who read well (assemblies and Masses)
- My child understands the importance of Confirmation
- My children were well prepared for First Holy Communion and Confirmation
- Sacramental preparation has been relevant and consistent
- When my child was preparing for First Holy Communion, the involvement between the school, church and home was brilliant.

Thank you
